

# Goochland Republican Creed

## We Believe . . .

- That faith in God, as recognized by our Founding Fathers is essential to the moral fiber of the Nation
- That all individuals are entitled to equal rights, justice, and opportunities and should assume their responsibilities as citizens in a free society
- That the free enterprise system is the most productive supplier of human needs and economic freedom
- That fiscal responsibility and budgetary restraints must be exercised at all levels of government
- That the Federal Government must preserve individual liberty by observing Constitutional limitations
- That peace is best preserved through a strong national defense

*The Goochland Republican Creed is an adaptation of the Virginia Republican Creed.*

*“Faith in God” is now first as the reordering of the concepts move from the individual outward to the nation. It also adjusts the compromised phrase “economic justice” to “economic freedom”.*

*Adopted by the Goochland County Republican Committee December 14<sup>th</sup> 2016
